## **PET CAMPAIGN FOR CLEAN TEETH!**

February is National Pet Dental Month, but we have decided to extend our dental cleaning discounts from **January through February**. Dental hygiene is very important for our dogs and cats to live long healthy lives. Dental disease can affect the heart, liver and kidneys in our beloved pets. **A pearly white smile can lead to a healthy life. From January 1st to February 28th, we will be giving a 10% discount for all dog and cat dental cleanings.** Please call today to book your appointment.
